Look What We're Studying...

This month we will celebrate our wonderful Mom's!! Our little ones plan to create something very special for Mommy. We will then explore Zoo Life and Bugs, Birds and Butterflies for the remainder of the month.

****EVALUATIONS****

Our class has come so far!! I can't believe the school year is almost over! I will be passing out an informal assessment of what your child knows or has retained during the school year. Overall, I feel the class has progressed well this year and developed most of the skills necessary to move forward, Please continue to work on letter recognition & sounds, numbers, shapes, and tracing names over the Summer. If you have any questions or concerns I will be available for conferences by phone or in person:

May 8th- In person conference or by phone

May 14th- by phone ONLY

Sign- up sheet will be above our classroom cubbies,
