Ms. Megan's Class

Announcements

It's hard to believe that we have reached our last full month of the school year. We are going to making it one to remember as we start the month off celebrating our moms and remembering why they are so special to us. We'll then venture into the wild, learning all about zoo animals, bugs, and camping in the great outdoors!

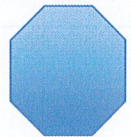

Pine Grove will be hosting our annual Art Show the second week of May. Our class art will be on display on **Wednesday, 5/14**. We are inviting families to pick up your child as normal and enjoy your child's artwork at the "Hitching Post." Your child's artwork will be available to purchase for a \$25 "minimum bid" (donation). This is optional, but also one of our best fundraisers as each bid supports our center directly..
